## Deal Of The Day: \$24 Stride Rite Mary Janes

Get your daughter even more excited for spring by treating her to these pretty pink Stride Rite mary janes. They have a cushioned leather footbed to support her developing feet and the rubber soles are flexible, but still offer great traction. Best of all, there are no tricky laces so getting them on and off is a simple feat your little girl tackle on her own.

**Price:** \$24 (was \$50)
